

DEPARTMENT OF
POLITICAL SCIENCE
College of Arts and Sciences

Make an IMPACT with a degree in Political Science: Global Politics

ANALYZE the causes of and solutions to modern global issues.
UNDERSTAND and shape the future of our interconnected world.
CONTRIBUTE MEANINGFULLY to global dialogue and diplomacy.

	FIRST YEAR	SECOND YEAR	THIRD YEAR	FOURTH YEAR+
Your Courses	Build a foundation in US and global politics with POLS 1113, 2013, and 2113 . Broaden your knowledge with Gen Eds and other electives.	Learn research literacy in POLS 2213 . Explore one of our POLS regional courses to become more aware of current global issues.	Explore data science with POLS 3103 . Specialize in conflict studies and sustainable peace with our upper-level POLS electives.	Examine political economy theories and modern challenges in POLS 4043 . Complete a research thesis in POLS 4903, and finish any remaining coursework.
Your Experience	Seek out information about Study Abroad, internships, Wentz research scholars , or other research opportunities.	Apply for a Wentz Award or work with a faculty mentor as a research assistant. Apply for the Bailey Scholarship and other study abroad funding.	Publish research or policy writing in an online journal or blog. Apply for a CAS Internship Scholarship .	Present at the annual OSU Undergraduate Research Symposium or at a regional, national, or international conference.
Your Community	Join Model UN, CAS Student Council, or a language club. Attend department talks and webinars focused on foreign policy.	Run for leadership positions in student organizations. Attend networking events and interview professionals working in fields of interest.	Study abroad or pursue an internship focused on global issues. Join Pi Sigma Alpha and/or Phi Beta Delta .	Complete research and experiential learning experiences. Revise your resume or CV. Meet with faculty regarding letters of recommendation.
Your Career Readiness	Enroll in a foreign language. Meet with professors about mentorship and other opportunities to promote career success.	Participate in resume or interview workshops with Career Services. Intern with a government agency, think tank, or nonprofit group.	Prepare for the GRE. Apply for a Truman, Marshall, or other scholarship promoting global political engagement.	Apply for graduate school and/or to the Fulbright, CIA Graduate School Scholarships , and other international programs.
Your Personalized Path	Add a minor in Intelligence and Security Analysis or Law and Legal Studies; add a 2nd major in Economics or Global Studies.			

YOU WILL LEARN

Why global politics matters locally. The causes of and solutions to problems such as terrorism and climate change. Different theories that explain interactions between countries. The institutions that shape politics in countries outside the US.
