

Zoom Desktop App Login Instructions

1. Open your Zoom desktop app and select “SSO” at the bottom of the dialogue box.

2. Enter the OSU Zoom domain: **okstate-edu**

3. Login using your O-Key email address and password.

The first screenshot shows the Microsoft login page. At the top is the Microsoft logo. Below it is the text 'Sign in'. The email address 'pistol.pete@okstate.edu' is entered in the text field. Below the field is a link 'Can't access your account?'. At the bottom of the form are two buttons: 'Back' and 'Next'. Below the form is a footer with the text: 'Have login issues? Go to http://login.help.okstate.edu or contact the IT Helpdesk at 405-744-4357 or helpdesk@okstate.edu'. At the very bottom is a link 'Sign-in options' with a key icon.

The second screenshot shows the 'Enter password' page. At the top is the Microsoft logo. Below it is the email address 'pistol.pete@okstate.edu' with a back arrow. Below that is the text 'Enter password'. There is a password field with dots. Below the field is a link 'Forgot my password'. At the bottom right is a blue 'Sign in' button. Below the form is a footer with the text: 'Have login issues? Go to http://login.help.okstate.edu or contact the IT Helpdesk at 405-744-4357 or helpdesk@okstate.edu'.

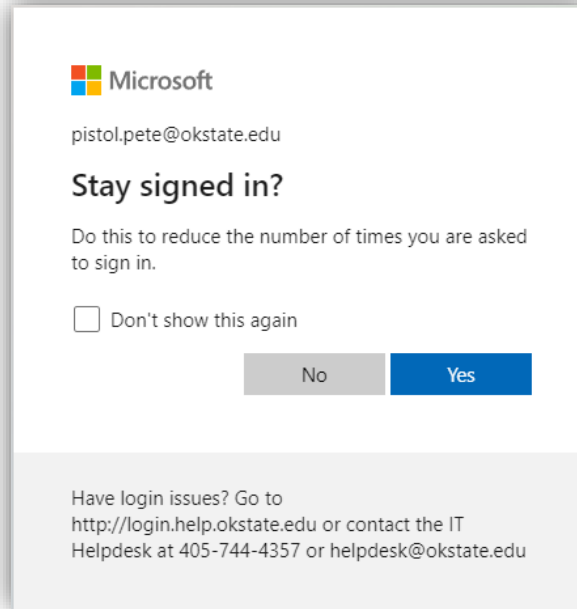

4. If prompted by DUO, select your preferred Multifactor Authentication method.

The screenshot shows a mobile app interface. At the top is a 'Back' button with a left arrow. Below it is the heading 'Other options to log in'. There are six options listed, each with an icon, a title, a description, and a right arrow:

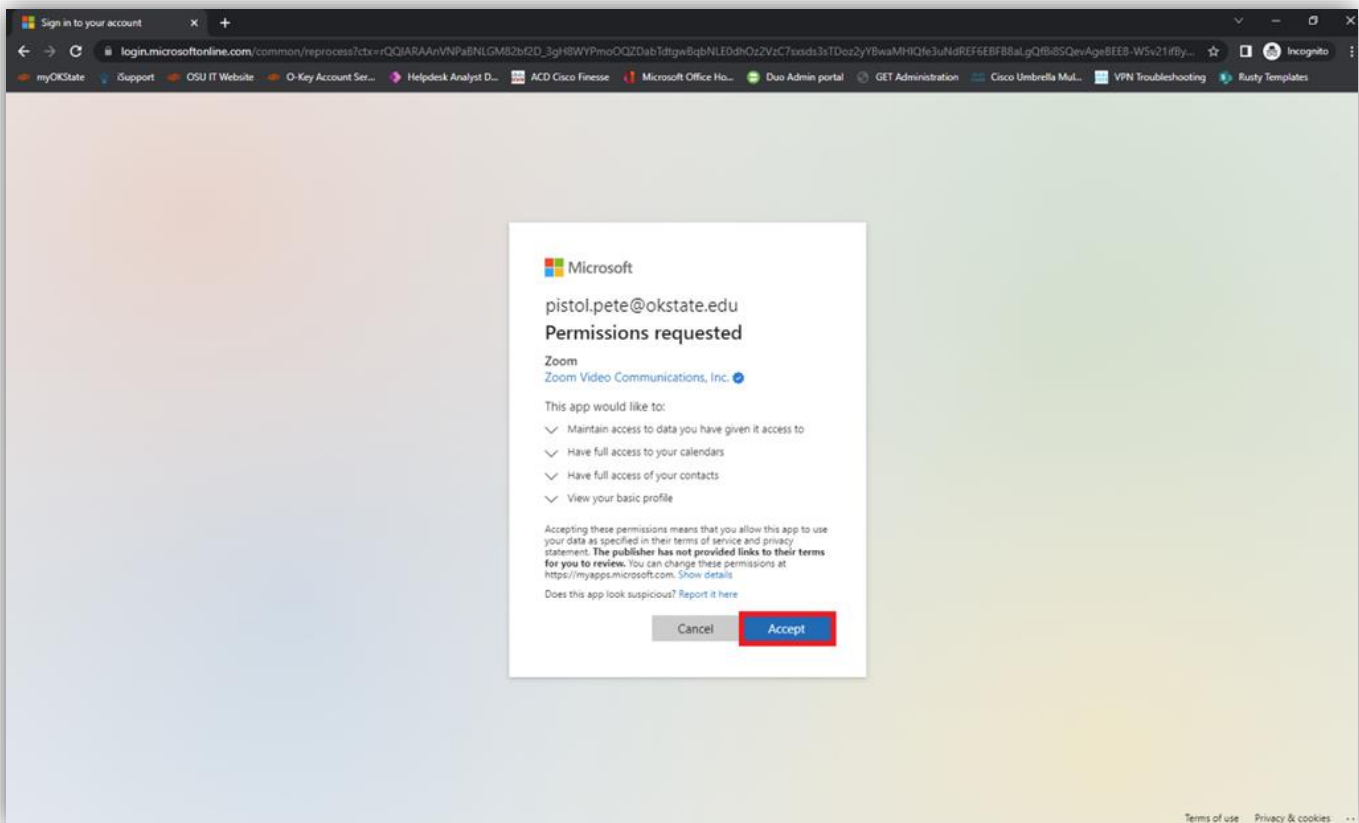

- Duo Push**: Send to "IOS" (.....4357)
- Duo Mobile passcode**: Enter a code from the Duo Mobile app
- Text message passcode**: Send to "IOS" (.....4357)
- Phone call**: Call "IOS" (.....4357)
- Bypass code**: Enter a code from your IT help desk
- Manage devices**: Add a phone, Touch ID, and more.

Below the 'Manage devices' option is a small icon of a phone and the text 'First you'll verify your identity.' At the bottom of the screen are two links: 'Need help?' and 'Secured by Duo'.

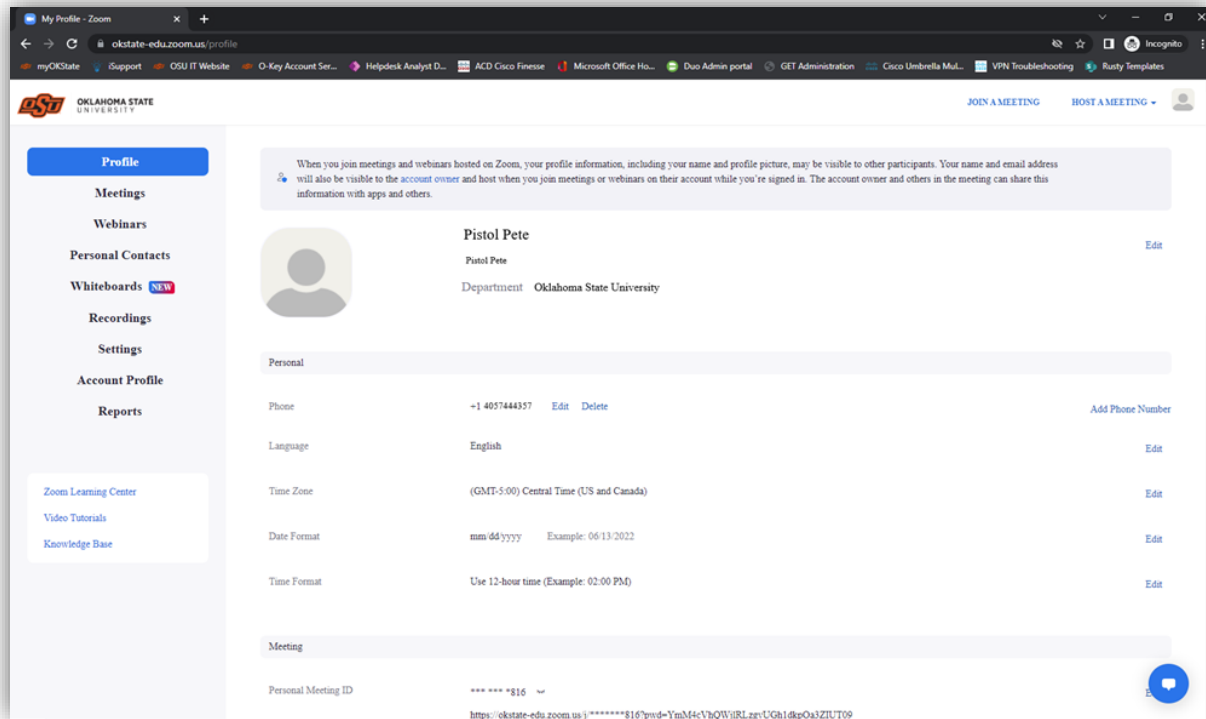

5. You may be prompted to “Stay signed in?” select either Yes or No to continue.

6. You will be asked to give permission to Zoom, click the “Accept” button to continue.

7. After Clicking “Accept” you will be redirected to your Zoom Profile page.

8. Congratulations, you are registered with Oklahoma State Zoom Video Conferencing Solution!
