

Northern Oklahoma

# Math Teachers' Circle

Next Meeting

**Monday, Sept. 19, 2022, 5:30–8:00 p.m.**

- **Learn about game theory!** Investigate a variation of tic-tac-toe and look for a winning strategy. Some lucky teachers will bring home a game for their classes.
- Enjoy complimentary dinner with a community of teachers, pre-K through college, and explore fun math problems that are accessible to everyone!
- Network with other teachers and experience the mathematical discovery you hope to encourage in your classroom.
- Events are free. Certificates for professional development hours are available.
- Located in the Math Sciences building on the OSU campus, Room 115.
- Dinner at 5:30 with activities starting at 6:00.
