

College of: Arts and Science      Degree/Major: BA/American Studies      Option: Pre-Law      Academic Year: 2018-19

### Proposed Four-Year Degree Plan (120 Total Hours)

The following is an example 8-semester plan. This is used to illustrate the course sequencing and the expectations for course loading. Students may use this as a guide as they plan their undergraduate education, but should adjust it to fit their personal goals. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.

*Students must refer to the Registrar's website for the availability of course offerings as well as visit with their academic advisor to find out about any special offerings. In general, students should attempt to complete their general education requirements early in their careers and spend their last two years focusing on upper-division courses (3000+) in the major and cognate fields (American History, Literary and Cultural Studies, Arts & Humanities, and Social Sciences).*

*Internships in American Studies may be used to fulfill upper-division requirements in the major. See the AMST website for a list of options: <http://amst.okstate.edu/Internships.html>*
