

College of: Arts & Sciences Degree/Major: BS/Biochemistry Academic Year: 2017-18

Proposed Four-Year Degree Plan (120 Total Hours)

The following is an example 8-semester plan. This is used to illustrate the course sequencing and the expectations for course loading. Students may use this as a guide as they plan their undergraduate education, but should adjust it to fit their personal goals. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.

- Assumption:** 1) Entering students have 2 years of a foreign language from high school.
 2) Entering students have sufficient preparation to place into MATH 2144 (Calculus I).

Current Course Rotation: (F) = Fall only (Sp) = Spring only

Students must refer to the current course catalog for the availability of course offerings as well as visit with their academic advisor to find out about any special offerings.

Year One					
Fall Semester			Spring Semester		
A&S	1111	First Year Seminar	ENGL	1213	Freshman Composition II
HIST	1103	Survey of American History	BIOL	1114	Introductory Biology
CHEM	1314	General Chemistry I	CHEM	1515	General Chemistry II
ENGL	1113	Freshman Composition I	STAT or MATH	2013 or 4013 or 2153	Elementary Statistics or Statistical Methods or Calculus II
MATH	2144	Calculus I			
Total: 15 credit hours			Total: 15 credit hours		
Getting involved with student organizations will further your classroom experiences.			Register with Career Services for countless opportunities. It's free!		

Year Two					
Fall Semester			Spring Semester		
CHEM	3053	Organic Chemistry I	CHEM	3153	Organic Chemistry II
BIOL or BOT	1604 or 1404	Animal Biology or Plant Biology	CHEM	3112	Organic Chemistry Lab (Sp)
MICR	2123	Intro to Microbiology	PHYS	1114 or 2014	General Physics I (Algebra-based) or General Physics I (Calculus-based)
MICR	2132	Intro to Microbiology Lab	POLS	1113	Intro to American Government
	3 hours	Humanities (H)		3 hours	Additional General Education (A, H, N, S)
Total: 15 credit hours			Total: 15 credit hours		
Want to Study Abroad? Visit the Study Abroad Office for more info!			Start looking into a 2nd Major or Minor; most minors are 15 - 18 hours.		

Year Three					
Fall Semester			Spring Semester		
BIOC	3713	Biochemistry I (F)	BIOC	3813	Biochemistry II (Sp)
CHEM	2113	Principles of Analytical Chemistry (F)	BIOC	3723	Analytical Biochemistry and Molecular Biology Lab
	3 hours	Arts & Humanities	BIOL or ANSI or PLNT	3023 or 3423 or 3554	General Genetics or Animal Genetics or Plant Genetics
	3 hours	Upper-Division Social Science (S) with Diversity (D)		1 course from	BOT 3463; ENTO 3044; BIOL 3204; BIOL 4215 – See Advisor
PHYS	1214 or 2114	General Physics II (Algebra-based) or General Physics II (Calculus-based)		3 hours	Upper-Division Humanities (H) with International (I)
Total: 16 credit hours			Total: 15-17 credit hours		
Interested in conducting research? This is an ideal time discuss opportunities with to faculty.			If you are interested in departmental honors, apply this semester.		

Between Years Three and Four, contact your advisor about an official graduation check.

Year Four					
Fall Semester			Spring Semester		
BIOC	4990(2)	Special Problems	BIOC	3224	Physical Chemistry for Biologists (Sp)
	4 hours	Add'l General Education (A, H, N, S)	BIOC	4883	Senior Seminar in Biochemistry (Sp)
	3 hours	Related Courses – See Advisor		3 hours	Related Courses – See Advisor
	3 hours	Electives (2 hours may need to be Upper-Division)		3-5 hours	Electives
	3 hours	Electives			
Total: 15 credit hours			Total: 13-15 credit hours		
Be prepared to apply for Spring graduation this semester. Check on 2nd Major or Minor.			Celebrate your accomplishment at May Graduation with your fellow Cowboys!!		

OTHER REQUIREMENTS:

The College of Arts & Sciences requires 6 hours Upper-Division General Education outside the major department.

Total hours must include at least 40 hours in courses numbered 3000 or above.

Hours in one department in excess of 54 will be added to the minimum total of 120 required for graduation.

At least 60 hours must be completed at a four-year institution. At least 30 hours must be completed at OSU.

15 of the final 30 hours completed, or 50% of the upper-division hours in the major field must be completed at OSU.

Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.

1. GENERAL EDUCATION REQUIREMENTS

No more than two courses (or eight hours) from the major department may be used to meet General Education and College and Departmental Requirements. The General Education required English Composition, required U.S. History, required American Government, one required MATH or STAT course, and required foreign language for B.A. degrees do not count against the two-course maximum.

2. A&S COLLEGE/DEPARTMENTAL REQUIREMENTS

a. Arts and Humanities are defined as any course carrying an (H) designation or courses from AMST, ART, DANC, ENGL (except 3323) HIST, MUSI, PHIL (except 1313, 3003 and 4003), REL, TH, and foreign languages.

b. Natural and Mathematical Sciences are defined as any course from the following prefixes: ASTR, BIOC, BIOL, BOT, CHEM, CS (except 4883), GEOL, MATH, MICR, PHYS, and STAT; or any courses that carry an (A) or (N) general education designation.

c. The required six hours of upper-division General Education may not include courses from the student's major department. This requirement may be satisfied by courses also used to satisfy any part of a student's degree program (i.e., in General Education, College Departmental Requirements, Major Requirements or Electives).

d. Non-Western Studies Requirement for B.A. and B.F.A. – consult academic advisor

e. The College of Arts & Sciences requires a minimum 2.0 GPA in all major requirements and a minimum 2.0 GPA in all major-prefix courses.

3. FOREIGN LANGUAGE PROFICIENCY

b. The foreign language requirement for the B.S., B.M. and B.F.A. may be satisfied by presenting a high school transcript which demonstrates two years of study of a single foreign language (passing grades at second year level of study). It may also be satisfied by 6 hours college credit in the same language, which must include language courses 1713 and 1813, or equivalent proficiency (e.g., passing an advanced standing examination; TOEFL exam; presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English; etc.). Computer Science courses may not be used to satisfy this requirement.

c. In addition to a. and b., **students pursuing teacher certification** must meet novice-high foreign language proficiency by presenting a high school transcript which demonstrates two years of study of a single foreign language with no grade below B. Or, students may complete 3 hours college credit in a single language with no grade below C (or pass an advanced standing examination, College Level Examination Program (CLEP) exam, or Oral Proficiency Interview developed by the American Council on the Teaching of Foreign Languages, equivalent to 3 hours of college credit.) Or, students may meet the requirement by transfer of documentation of meeting the foreign language competency from one of the teacher education programs in the State of Oklahoma approved by the Oklahoma State Regents for Higher Education.

4. EXCLUSIONS

a. Courses used to satisfy the General Education English Composition, U.S. History, American Government, and Mathematics or Statistics requirements will not count toward the 54 hour maximum allowed from one department.

b. Courses with ATHL or LEIS prefixes and leisure activity courses may not be used for degree credit.
