

Position Announcement

TEACHING ASSISTANT PROFESSOR Oklahoma State University Department of Statistics

The Department of Statistics at Oklahoma State University is seeking candidates for a Teaching Assistant Professor position to begin August 2023. Duties include undergraduate and graduate level teaching, coordination of graduate teaching assistants, assisting in program development & accreditation/assessment, and departmental service. This is a renewable appointment, with typical appointment terms of three years. There is the possibility of promotion to Associate Teaching Professor & Teaching Professor. Successful candidates must have a Ph.D. in Statistics and demonstrated excellence in teaching. Experience with mentoring graduate teaching assistants is also desired. The successful candidate should be willing to teach from a multicultural perspective, mentor ethnically and racially underrepresented students and participate in all aspects of the department's activities.

For best consideration apply by November 15, 2022. Position is open until filled. Applicants should submit a letter of application, curriculum vita, transcripts and three letters of recommendation to: mathjobs.org.

The Department of Statistics is administratively located within the College of Arts and Sciences at Oklahoma State University and currently has eight full time faculty tenured/tenure track, one teaching assistant professor, one lecturer and 20-25 graduate students. The Department offers B.S., M.S., and Ph.D. degrees.

Oklahoma State University is located in Stillwater in north-central Oklahoma, approximately 60 miles from both Oklahoma City and Tulsa. The University has about 24,000 students, including 4,000 enrolled in the Graduate College.
