

GREENWOOD SCHOOL OF MUSIC
PREPARATORY ACADEMY

Eva Cole (Applied Piano Faculty)

Eva Cole is a piano performance major here at OSU. She held a small private studio through high school and is both excited and grateful for the opportunity to expand her teaching knowledge through group piano and musicianship classes as well. She loves teaching for many reasons; the constant creative energy required, the opportunity for personal growth, and most importantly, watching students succeed and gain confidence in themselves. While not practicing, she enjoys cooking, hanging out with her friends, and discovering new music. She hopes that the experiences gained now will assist her in teaching at the collegiate level someday.
