## Christine Horton (Academy Singers Primary Intern)

Christine Horton (Bachelor of Science in Vocal Music Education) is an accomplished educator in Oklahoma since 2014. She spends her days at Highland Park Elementary School in Stillwater, where she leads the PreK-5 general music program. Her specialized training includes Orff-Schulwerk Levels 1 and 2 certification and Dalcroze Eurythmics training. She is currently serving as Vice President of the Oklahoma Orff Chapter, where she organizes professional development for music educators across the state. She integrates her 200-hour yoga certification into her teaching methodology as she believes that mindfulness and movement are vital to the whole child. Ms. Horton is excited to collaborate with Dr. Haley on the Academy Singers program and "Music Together" classes in spring 2025.
