COLLEGE OF
ARTS AND SCIENCES

CAS at a glance!

As OSU's largest and most diverse academic college, the College of Arts and Sciences is committed to your success. Comprised of 24 departments across three pillars — Arts and Humanities, Social Sciences, and Math and Sciences — CAS offers unparalleled choice and unlimited opportunities.

Pre-Professional

The Pre-Professional Support Services team, located in the Student Union, offers resources to current students and recent alumni considering careers in healthcare or law. Any CAS degree provides that solid foundation to attend law or health-professional schools.

Accelerated Masters

You have many opportunities within CAS to complete a master's degree within one year of completing a bachelors.

4+1 options available:

- **Biochemistry**
- **Computer Science**
- **Geology**
- **Environmental Geology**
- **Global Studies**
- **Microbiology**
- **Music**
- **Strategic Communication/Mass Communication**
- **CAS2MBA** (SSB Partnership)
- **CAS2MsBAnDS** (SSB Partnership)
