

COLLEGE OF
ARTS AND SCIENCES

Pre-Nursing Options

Career Options

Nursing is one of the fastest growing careers, and nurses have one of the most important jobs in healthcare. A successful completion of a nursing degree prepares you for work in a variety of care settings including:

Hospitals

Clinics

Public Health

Home Health

Schools

Government Agencies

Hospice and Long Term Care Facilities

Various Leadership and Management Roles

RN to BSN

Already a registered nurse? If you have already earned your ADN/ASN and RN and would like to complete your BSN, the OSU RN-BSN program is specifically designed to enrich your professional nursing career.

Requirements

62-68 hours

Minimum GPA 2.50 with no grade below "C."

Minimum 15 hours in residence at OSU.

Pathway

Complete two years of prerequisite science and general education courses at a college or university, and then apply to a Bachelor of Science in Nursing (BSN) program. The certificate in Pre-Nursing includes the prerequisite courses for the BSN programs in Oklahoma.

(Students should check the prerequisite requirements for BSN programs in other states to determine if additional courses are needed to supplement the Certificate.)
