Introduction

The Reading Readiness Camp is intended to foster a love for reading among young school-going children through hands-on, fun learning activities. Campers will be engaged in small-group instruction that focuses on developing their confidence for reading in a supportive environment.

For children ages 4-7 years old.

The Reading Readiness Camp is sponsored by:

Screening

All campers will be required to complete screening tests before May 30.

This assessment helps instructors group children appropriately during the camp and offers campers more learning time. This is a change from the previous year when assessments were done the first day of camp.

Sessions

There will be two sessions, and children will be divided by age group with the 4 to 5-year-olds in the morning session and the 6 to 7-year-olds in the afternoon session.

After enrollment is verified, contact Lisa Ashley to set up the screening:
